Dear Lord Boswell,

16 June 2015

Thank you so much for the invitation to consider to co-sign the House of Lords' proposal for a Green Card on Food Waste. I believe it is of great importance for national parliaments to agree on a possible topic for the first trial "green card" as soon as possible.

However, as you may know, we have parliamentary elections in Denmark on 18 June 2015. Unfortunately, this means that the Folketing might not have a new European Affairs Committee before 15 July 2015 and may therefore not be in a position to respond to your invitation within the fixed deadline.

Yours sincerely,
