8 September 2016

Dear Mr. Bent Bøgsted,

I am writing following the email sent on 3 of September, 2016, from your Cabinet to the attention of the Romanian Embassy, with respect to agreeing to welcome in Copenhagen a delegation of members of the Committee for Employment and Social Security in the Chamber of Deputies of the Romanian Parliament during a working visit in the week 43.

In light of your above-mentioned proposal for meetings, the Romanian parliamentarians propose **organizing a working visit in Denmark in the period 24-27 October 2016**, with meetings at the Folketinget on 25 and 26 October 2016. We reiterate that the Romanian Parliamentarians expressed their interest in tackling the following subjects in their dialogue with their Danish counterparts: labour and employment-related legislation, social services and assistance, unemployment, child protection, family welfare, measures to increase the birth rate and the legal system concerning child adoptions.

The Romanian delegation will consist of the following parliamentarians from the Committee for Employment and Social Security in the Chamber of Deputies of the Romanian Parliament:

- Mr. Adrian SOLOMON (Social-Democratic Party), President of the above-mentioned committee and of the delegation.
- Mrs. Cristina-Ancuța POCORA (National Liberal Party), member of delegation.
- Mr. Amet VAROL (representing the group of national minorities in Romania), member of delegation.
- Mr. Irinel STATIVĂ (Social-Democratic Party), member of delegation.

The parliamentarians will also be accompanied by a councillor from the General Division of Foreign Affairs in the Chamber of Deputies of the Romanian Parliament.

In this light, I would like to kindly ask for your response regarding the date suggested above for the meetings of parliamentarians in Copenhagen, as well as your recommendations on the major subjects on the agenda of discussions. The Romanian Embassy will facilitate the preparations and establishment of such a dialogue in line with the objectives, agendas and accommodating time of Romanian and Danish parliamentary activity.

Please accept, dear Mr. Bent Bøgsted, the assurance of my highest consideration.

Maria Artene
Chargé d'Affaires a.i.
