

Invitation to CEVIA's Arctic book launch event

# Responsibilities and Liabilities for Commercial Activity in the Arctic

The Example of Greenland

The Law Faculty and Center for Enterprise Liability (CEVIA) proudly present the publication of the Faculty's first legal interdisciplinary research book on the Arctic.

*The book analyses issues of responsibility and liability connected with the exploitation of natural resources, marine transport and other commercial activities in the Arctic. The book constitutes a key output of CEVIA's Arctic research project and is based on almost three years of research involving several members of the research centre as well as external partners.*

On this occasion, CEVIA would like to invite people with an interest in the Arctic to the book launch event Friday the 29<sup>th</sup> of April 15:00 - 16:30 at the Law Faculty, Studiestræde 6, 1455 Copenhagen K, 3<sup>rd</sup> floor, the canteen.
