Dear Mr. Isakovic

Thank you very much for your letter of 10 June 2016 to the Committee.

On occasion, we would very much like to exchange experiences in the field of gender equality with the Members of your Committee, however we have already decided on the destination for our next study trip, and we can therefore not commit to another journey for the moment.

If you are planning to visit Denmark in the near future, you are of course welcome to contact the Secretariat with the dates, and we would be happy to arrange for a meeting here in the Danish Parliament, as a part of your program.

Yours sincerely,
