To whom it may concern

The Copenhagen Citizen Service has received application for a passport renewal from Hashil Seif Hashil, born the 12. Th. of January 1938.

In Hashil Seif Hashil's former passport issued in 2005 (no. 200687331) the Place of birth was on request stated as Zanzibar.

Due to a change in regulations from the 1.st of January 2012 it has not longer been possible to put anything but the name of country as Place of birth in Danish passport.

As Zanzibar is integrated in the United Republic of Tanzania, passports issued to Hashil Seif Hashil will state that place of birth is Tanzania.

We have issued a new passport (No. 208595053) to Hashil Seif Hashil dated 070915 with this information.
