

FN's Handicapkonvention: Canada also ratified the Convention on the Rights of Persons with Disabilities

Oct 2015 Danish politicians have once more reformed the laws without reforming the laws in Denmark.

First Report of Canada on the Convention on the Rights of Persons with Disabilities

Freedom from torture or cruel, inhuman or degrading Treatment or Punishment

144. The *Hospitals Act* requires that consent must be provided for any treatment.

In Canada forced psychiatric interventions and forced medication have now been abolished!

The abolition happened for health reasons. Canada ratified the UN convention in question 2010, Denmark did too in 2009.

The State of Denmark is in denial and still maintains that you can cure people with forced intervention.
