

**INTERNATIONAL PARLIAMENTARY CONFERENCE ON NATIONAL SECURITY
(& OPTIONAL CYBERSECURITY DAY)**

**LONDON
27 - 31 MARCH 2017**

NOMINATION FORM

Legislatures may apply for a maximum of **THREE parliamentarians**. When nominating their delegates, legislatures are reminded to note the nomination criteria as outlined below.

Nomination Criteria

When selecting participants for nomination, you are requested to meet the following criteria:

- It is CPA UK policy to encourage broad participation in its events. Please nominate parliamentarians from both **government/majority** parties and **opposition/minority** parties, and ensure a **gender balance** and **youth representation** when nominating.
- CPA UK expects participants to have **experience and knowledge** of the conference content.
- Priority places will be held for parliamentarians who attended the **Asia-Pacific, Caribbean (and when applicable) Africa Regional Workshops**.
- Delegates should have a reasonable **expectation of continuing in their parliamentary careers** so that their participation in the conference is worthwhile both to themselves and to their Parliament.
- Participants are expected to arrive for the start of the programme and to **participate fully** to its conclusion. Legislatures should nominate only participants who will attend the either conference elements (where applicable).
- Delegates should have a good level of conversational and written English.

Due to the limited places for the conferences, there is a likelihood that it will be oversubscribed. **It is therefore important to be aware that nominations that meet the above criteria are more likely to be selected.**
