International Summit for Parliamentarians, 14th June 2017, House of Commons

I am writing to ask you to pass on this invitation to any members of the Danish Parliament with an interest in diabetes to attend an International Summit for Parliamentarians being held by the All Party Parliamentary Group for Diabetes on the 14th June 2017 at the House of Commons, UK.

The All Party Parliamentary Group for Diabetes is a group of Members of Parliament and Peers from both Houses of Parliament with a special interest in the issue of diabetes.

As you are aware, diabetes is an international issue. Diabetes affects more than 59.8 million people in the European Region and this figure is expected to rise to 71.1 million people by 2040.

Present at the Summit will be Members of the British, Scottish, Welsh and Northern Irish Parliaments, diabetes experts from the United Kingdom and the world, as well as senior representatives from the International Diabetes Federation.

Amelia in my office can be contacted via coyne@parliament.uk for further information.

I look forward to hearing from you.

Rt Hon Keith Vaz MP
Chair, All Party Parliamentary Group for Diabetes
