Dear friend,

We contact you to inform you of the **41st European Conference of Solidarity and Support to the Saharawi People**, to be held on **18th and 19th of November 2016** in **Catalonia**, in **Vilanova i la Geltrú** and attended by participants from the five continents.

EUCOCO has been continuously held since 1975, when the conflict began, and has undoubtedly become the most important European Solidarity Movement towards the Saharawi People annual event. Representatives of governments that recognize the RASD, deputies and European and national elected officials, regional governments, provincial and city councils of the Spanish State, Policy and Trade Unions, Associations of Friendship with the Saharawi people, NGOs in general, jurists and cultural personalities participate each year in this **must-attend event of solidarity** of those who defend **the right of self-determination of the Saharawi People**.

This year has been sad for the Sahrawi people, since they have lost its president, **Mohamed Abdelaziz**, a man of peace who devoted his life to the cause of freedom for his people.

The 41st EUCOCO will be a memory to his figure and it must be a great demonstration of global solidarity with the cause, and a loud call to our leaders so they assume the historical responsibility that Spain has with the Saharawi people and so they rely on the International law and Justice.

For all these reasons, we invite you to participate in the 41st EUCOCO and that you show your support and solidarity at a crucial moment for the Saharawi people.
