

Australian Embassy
Denmark
Norway, Iceland

Wednesday 8 November 2017
12:45 – 14:00

The Embassy of Australia and Asia House invite you to a seminar with the outstanding Australian economist Tim Harcourt who will take us

“Around the world in 30 minutes – perspectives on Australia, Asia and the Global Economy”.

Tim is an active commentator in the Australian, Asian and international media on economic and trade issues. He was Chief Economist of the Australian Trade Commission (Austrade) for over a decade and has also worked for the Reserve Bank of Australia (RBA), the Australian Council of Trade Unions (ACTU) and in the corporate sector internationally.

Tim was educated at the University of Adelaide, the University of Minnesota and Harvard University. His best-known book is *The Airport Economist*, an international business bestseller guide to doing business in the Asian Century.

Sandwiches and drinks will be available.
