Dear Mr. Azmani, Mr. van Apeldoorn,

On behalf of the Danish Parliament's European Affairs Committee, I would like to commend sincerely the initiative taken by the Dutch Parliament to work for enhanced public transparency in the European Union and specifically in the decision-making process. It is an effort very much supported by the Danish European Affairs Committee.

I would therefore be pleased on behalf of the committee to be one of the signatories to the joint letter from national parliaments to the relevant EU institutions.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'Erik Christensen'.
