

## Practical information

### Upon Arrival in Copenhagen Airport

Copenhagen Airport (Kastrup) is located less than 10 km from Copenhagen city centre. Upon international arrival in the airport (Terminal 3), there are several transportation options for getting to the city (information can also be found at [www.cph.dk](http://www.cph.dk)).

**Taxis** are accessible outside Terminal 3 and accept major credit cards.

Taxi 4x35: +45 3535 3535

Dantaxi: +45 7025 25225

**The metro**, which is to be found at the end of Terminal 3, offers a fast and convenient journey into the city. A 3-zone-ticket is required to reach the city centre. Tickets can be purchased at the station, and most credit cards are accepted.

- If you are going to the city centre and/or the recommended hotels, you should exit the metro at Kongens Nytorv. From here the walk to any of the hotels is approx. 10-15 minutes.
- If you are going directly to the conference from the airport, you should exit the metro at Christianshavn. From here the walk to the conference venue is approx. 5-10 minutes.
