K E N C O K U N I T E

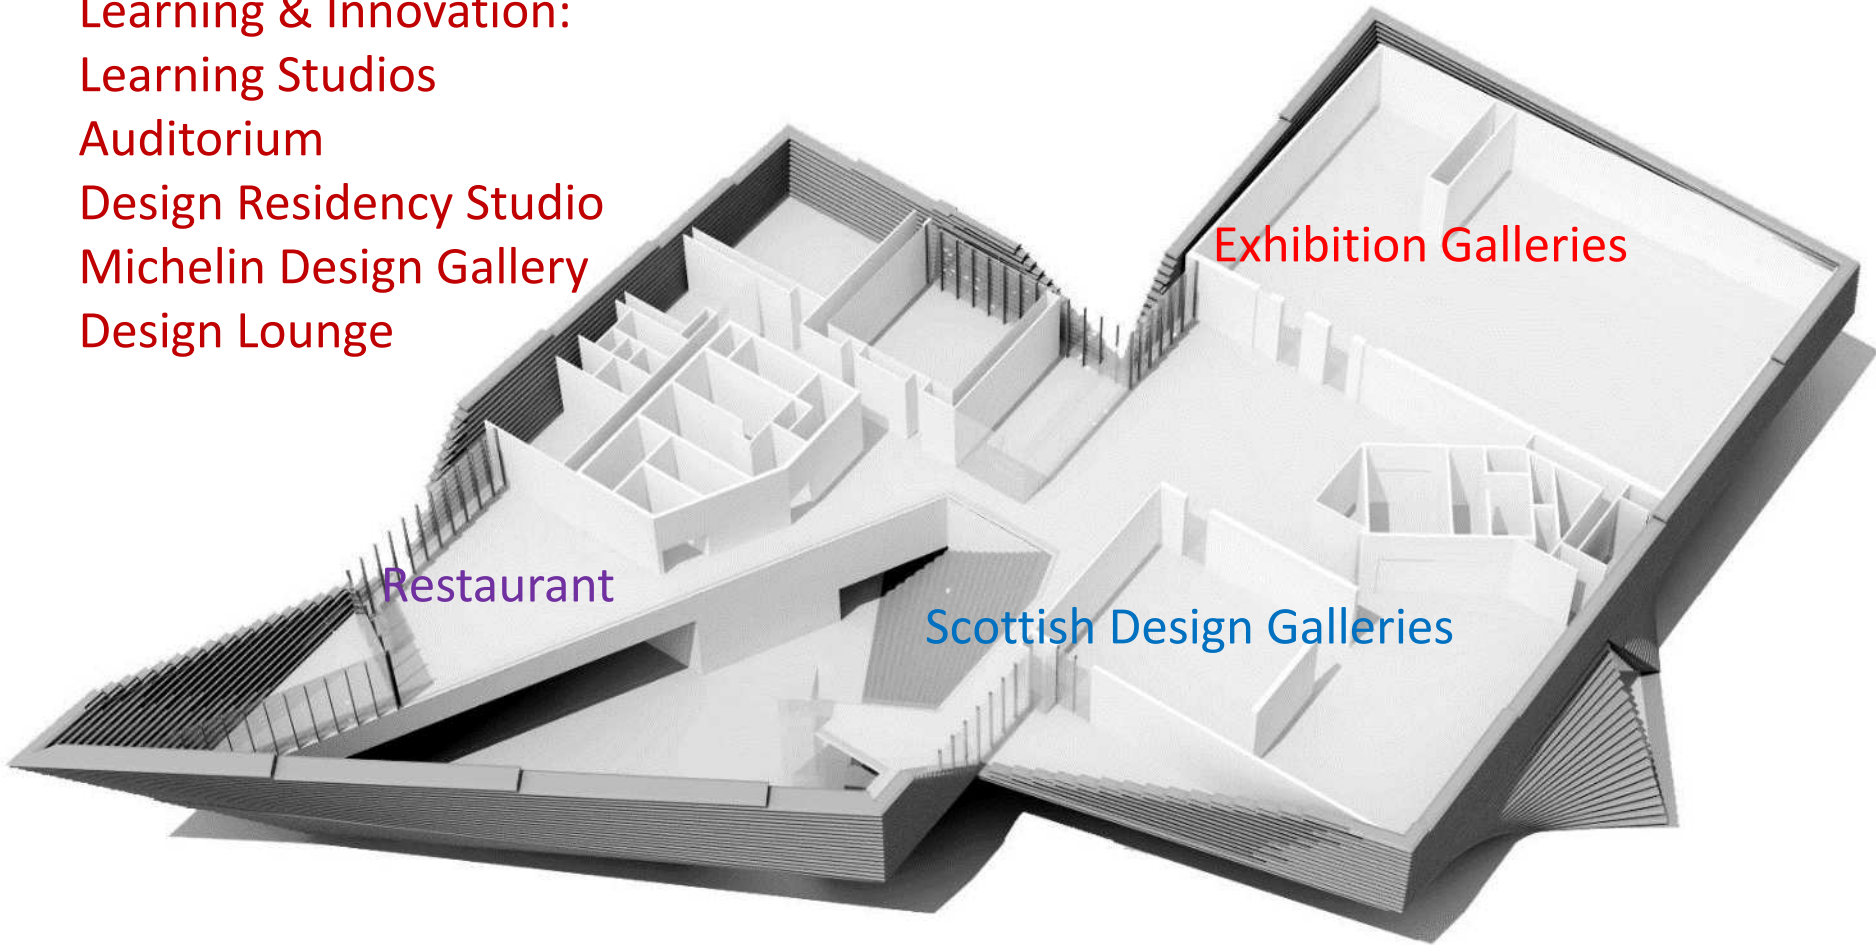

‘The advent of V&A Dundee is already helping to boost the vibrant art and design scene there, as well as the rest of the city. Having a globally recognised centre of design excellence like this will give aspiring designers a great platform to pursue their careers in an increasingly sophisticated international design community.’

CARMINE OF CUBANITES

"I had hands in the past, the real ones. I have to find people to use as dummies."
—Carmine
The costumes of Carmine are a mix of Cuban and American styles. The costumes are designed to be both elegant and sexy. The costumes are designed to be both elegant and sexy. The costumes are designed to be both elegant and sexy.
