**RE. Application for consent for the Establishment of an Honorary Zimbabwe Jutland Consulate in Denmark.**

Greetings.

I am hereby applying for consent and consular commission from the Zimbabwe Ministry of Foreign Affairs, as per Article 11 of the Vienna Convention on Consular Relations 1963.

The sole intent is to establish a consular agency (honorary consulate) for the sole function of Article 5 section b, i.e:

Furthering the development of commercial, economic and scientific relations between the Zimbabwe and Denmark, otherwise promoting friendly relations between them in accordance with the provisions of the present Convention.

The intended consular district will be the mainland of Denmark, Jutland, which is home to about half the Danish population and home to many thriving businesses which could be convinced to invest and do business in Zimbabwe.

I intend to be the head of the consul, as honorary consul and will make necessary arrangements to acquire donor funding for the establishment a functional office for that purpose, i.e furthering the development of commercial, economic and scientific ties.

I am well known in the Jutland region and have even written for their biggest newspaper, as well as presented a television and radio show in the region of Denmark. I have contacts with senior government officials and have been guest at an event opening by Her Majesty The Queen of Denmark.

I believe it is possible to establish mutually beneficial ties with Jutland and I am willing to work without a government budget as I can make use of own resources and fundraise if need be.

Humbly
