Global High-End Manufacturing Summit (GHMS 2019)

www.ghms.top

Profile of GHMS

In order to actively promote innovation, development and cooperation of the global high-end manufacturing industry, further develop the real economy to enhance the wellbeing of people, comprehensively summarize the development law of the global high-end manufacturing process and industry chain, analyze the trend of global high-end manufacturing technology innovation and industrial agglomeration, understand the latest industrial layout, investment and cooperation of Fortune 500 companies and global top 500 manufacturing companies, and provide new ideas and platforms for industrial development, the renowned international economic organization, Asia Pacific CEO Association, Worldwide (APCEO) is actively sponsoring and hosting the Global High-End Manufacturing Summit (GHMS).

The GHMS responds positively to major concerns on international industry and shall become a weather vane of development, a milestone of its cooperation for global high-end manufacturing. The theme of the Summit is "High Quality Economy for a Better Life".

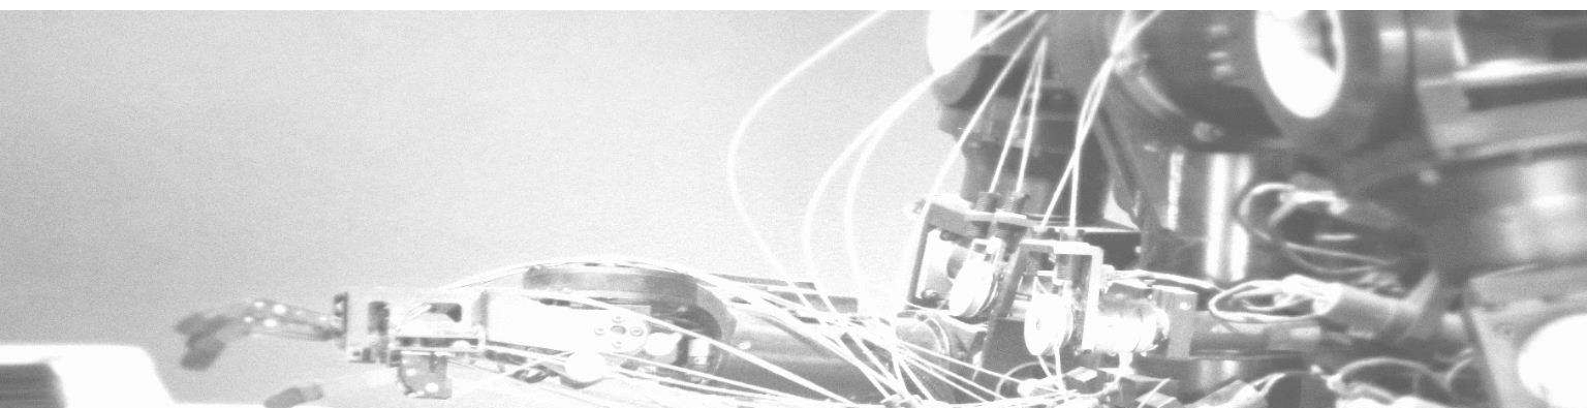

The Summit will bring together leaders from the Fortune Global 500, Forbes Global 2000, global top 500 manufacturers, global top 100 industrial investors, global top 100 industrial innovators, global top 5000 investment companies, world-renowned experts, scholars, investors, financiers and other important figures. They will gather at

the Summit to discuss the frontier issues of high-end manufacturing development and show authoritative voice of the real economy.

The Summit will release the "Global Top 500 High-End Manufacturing Companies" and "High-End Manufacturing Industry Changsha Index", issue the Global High-End Manufacturing Changsha Declaration, promote the establishment of international high-end manufacturing industrial funds, and optimize global allocation of high-end manufacturing resources.

Under the framework of the Summit, the host will establish a global high-end manufacturing laboratory, a world-class manufacturing industrial park, a high-end manufacturing information center of world-renowned institutions, and a trading center of global high-end manufacturing industry step by step.

The first GHMS will be held concurrently with 2019 the Fifth China (Changsha) International Construction Equipment Exhibition (CEICEE). The high-end professional partners attracted by the summit will enrich the exhibition with international resources, enhance its international prestige, and increase its influence worldwide. Besides, the exhibition will also provide more cooperation opportunities for the summit and consolidate foundation for the cooperation objective of the summit.

MAJOR TOPICS & COOPERATION AREA

Industrial Internet
New Energy Electric Vehicles
Biomedical and High-End Medical Equipment
High-End Manufacturing Industry Fund

Intelligent Manufacturing
Artificial Intelligence
Engineering Machinery

WHO ATTENDS

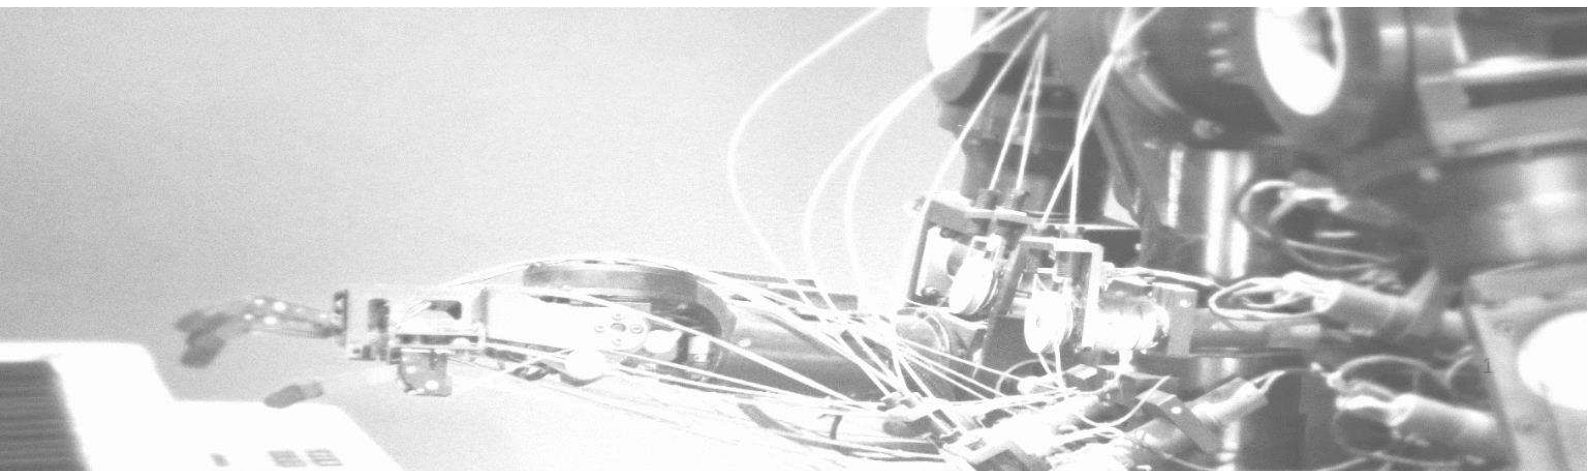

Foreign Heads of State and Government Officials
Forbes Global 2000
Financial Times Global 500
Global Top 100 Industrial Investment Companies
Global R&D 1000
The Cybersecurity 500
Global Top 50 Most Effective Robot Companies
Global Top 100 Auto Parts Companies
Global Top 10 Chip Companies
Top 50 Electronics Components Distributors

Global Top 100 Automotive Manufacturers and Parent Companies
Global Top 10 Lithium-ion Battery Manufacturers
Top 10 Industrial Automation Companies
Big Data 50
American Top 20 AI
Best 10 3D Printers

Global Top 100 Medical Equipment Manufactures
World-renowned High-End Manufacturing Organizations
.....

Part of Proposed Speakers

Hon. Dominique de Villepin
Global Chairman of APCEO
Former Prime Minister of France

Hon. Dr. Yukio Hatoyama
Former Prime Minister of Japan

Elon Musk
Co-founder
Chief Executive Officer
Tesla

Liang Wengen
Chief Executive Officer
Sany

Stephen Schwarzman
Chairman & Chief Executive Officer
Blackstone Group

Ernst Schmachtenberg
President
RWTH Aachen University

Zhan Chunxin
Chief Executive Officer
Zoomlion

Daniela Rus
Director, Computer Science and
Artificial Intelligence Laboratory
MIT

Vic Abate
Chief Technology Officer
General Electric

Sundar Pichai
Chief Executive Officer
Google

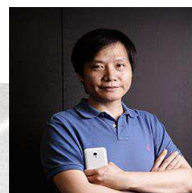

Jan Michael Mrosik
Chief Executive Officer,
Digital Factory Division
Siemens

Naveen G. Rao
Corporate Vice President &
General Manager, Artificial
Intelligence Product
Intel

Douglas (Doug) L. Davis
Senior Vice President & General
Manager, Automated Driving Group
Intel

Lei Jun
Founder & Chief Executive Officer

Gena Lovett
Vice President of
Manufacturing
The Boeing Company

Highlights

1. Opening Ceremony and Keynote Speech

- Number of participants: 800 (all participation)
- Theme: "High Quality Economy for a Better Life"

2. Government Meeting

- Number of participants: 60
- How to participate: Directed invitation
- Description:
Leaders of the Chinese Central Government, Hunan Provincial Government and Changsha Municipal Government meet with important guests of GHMS.

3. GHMS Cutting-edge Technology / Project Release and Financial Matching Conference

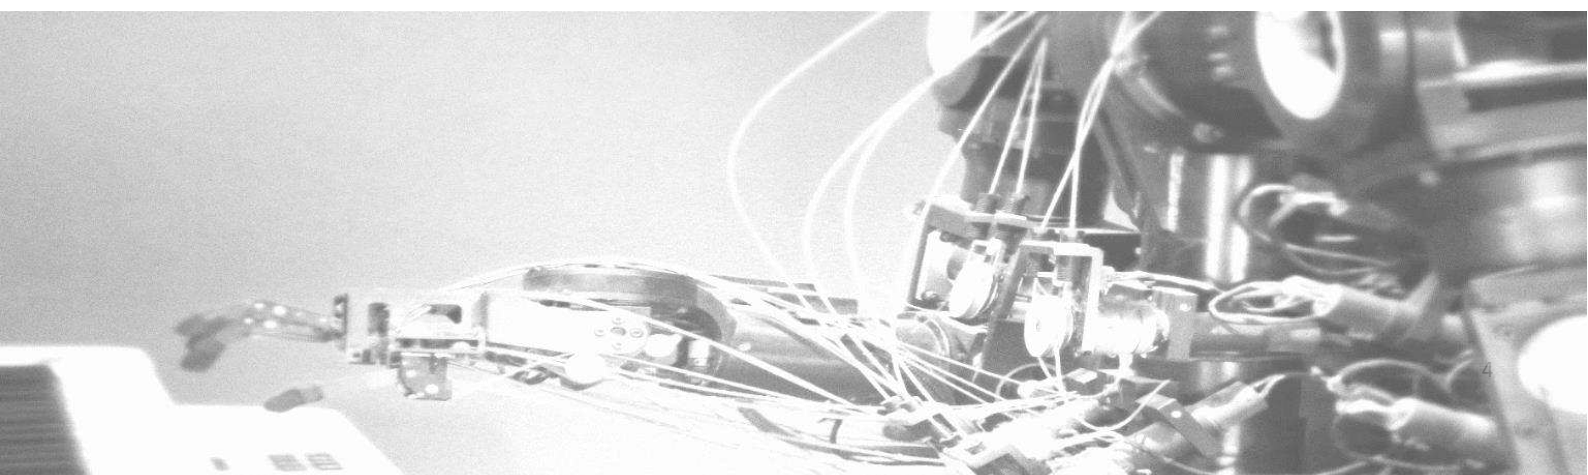

- Number of participants: 800 (all participation)
- Focusing areas:
Intelligent manufacturing, industrial internet, new energy vehicles, artificial intelligence, bio-medicine and high-end medical equipment, engineering machinery, information technology, etc.
- Publishers can use a variety of audio, video and physical display to showcase their technology/projects in all dimensions for the best results in 5 minutes. There will be around 15 technologies / projects and more than 100 professional funds.

4. Preparatory Meeting for "Global High-End Manufacturing Investment Fund"

- Number of participants: 50
- How to participate: Directed invitation
- Description: The Global High-End Manufacturing Investment Fund, together with the Global High-End Manufacturing Summit, will promote various cutting-edge manufacturing technologies and projects landing, and enhance tangible result of the Summit. The preparatory meeting will focus on specific issues such as the purpose, principle, structure, management, investment strategy, income distribution and working steps of the fund.
- Guests: The following is a simple list:

No.	Guest category
1.	Leaders of relevant Chinese Ministries and Commissions
2.	Foreign governmental delegations related to high-end manufacturing
3.	Leaders of Hunan Provincial Government
4.	Leaders of Changsha Municipal Government
5.	Fortune Global 500 and Forbes Global 2000 companies
6.	Top 500 Chinese Enterprises
7.	Well-known high-end manufacturing enterprises
8.	Financial & investment institutions
9.	World-renowned experts and scholars

Chinese and foreign guests account for 30% and 70% of all the guests respectively, and the proportion of different kinds of guests will be allocated reasonably

5. Full Industry Chain Forum and Signing Ceremony of Major Projects

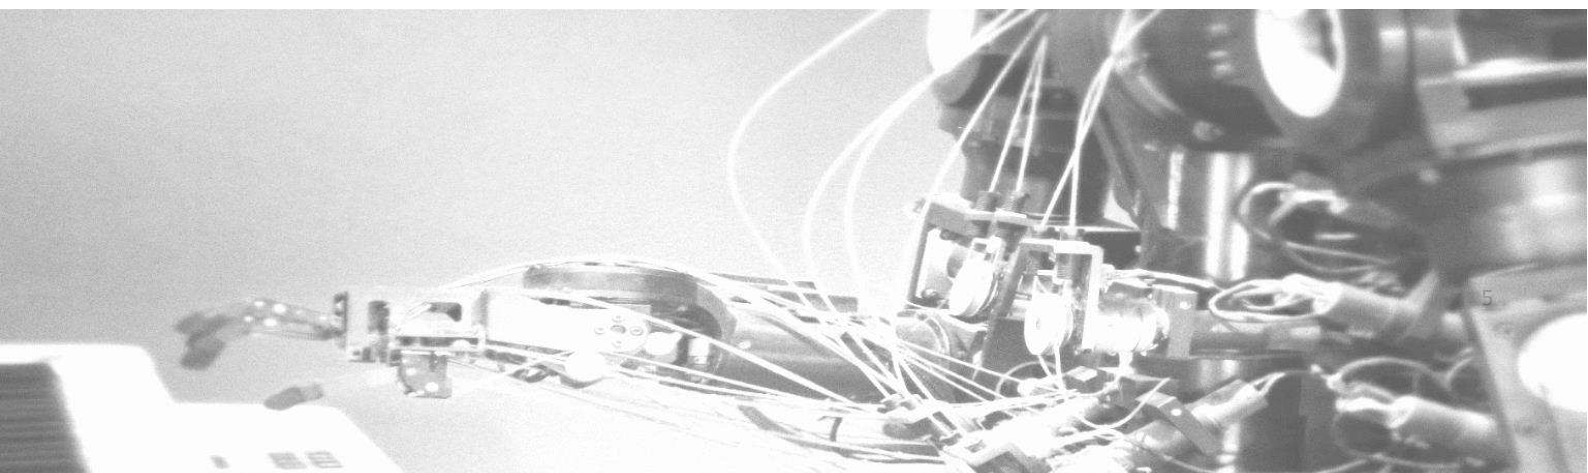

- Number of participants: 100 / venue
- Description: two theme venues
- Guests: The following is a simple list:

Full Industry Chain Forum and Signing Ceremony of Major Projects on New Energy Electric Vehicle

No.	Guest category
1.	Leaders of relevant Chinese Ministries and Commissions
2.	Fortune Global 500 and Forbes Global 2000 companies
3.	Top 500 Chinese Enterprises
4.	Automobile manufacturers
5.	Battery manufacturers for new energy electric vehicle
6.	Charging equipment production and service providers
7.	Basic utility service providers (grid, etc.)
8.	New energy companies
9.	New Energy Vehicle Consulting Firms
10.	Industrial Societies
11.	World-renowned experts and scholars
Chinese and foreign guests account for 50% and 50% of all the guests respectively, and the proportion of different kinds of guests will be allocated reasonably.	

Full Industry Chain Forum and Signing Ceremony of Major Projects on Implantable Technology

No.	Guest category
1.	Leaders of relevant Chinese Ministries and Commissions
2.	Fortune Global 500 and Forbes Global 2000 companies
3.	Top 500 Chinese enterprises
4.	Precision medical device companies
5.	Bio-medicine companies
6.	Wearable smart device companies
7.	Chip companies
8.	3D printing companies
9.	Industrial Societies
10.	World-renowned experts and scholars
Chinese and foreign guests account for 50% and 50% of all the guests respectively, and the proportion of different kinds of guests will be allocated reasonably.	

6. Intergovernmental Regional Cooperation Roundtable: China-Japan (or Sino-French) Intelligent Manufacturing Roundtable and Signing Ceremony of Major Projects

- Number of participants: 60
- Description: one roundtable meeting venue
- Guests: the following is a brief list.

No.	Guest category
1.	Leaders of relevant Chinese Ministries and Commissions
2.	Leaders of relevant Japan / French government department
3.	Fortune Global 500 and Forbes Global 2000 companies
4.	Top 500 Chinese enterprises
5.	Computer equipment enterprises
6.	Internet of things technology enterprises
7.	Software companies
8.	Intelligent transportation equipment enterprises
9.	Smart home enterprises
10.	Automotive electronics enterprises
11.	Electronic components enterprise
12.	Industrial societies
13.	World-renowned experts and scholars
Chinese and Japanese / French account for 50% and 50% of all the guests respectively, and the proportion of different kinds of guests will be allocated reasonably.	

7. High-end Intelligent Manufacturing Brand Enterprises Special Purchasing Fair

- Number of participants: About 50 / venue
- Description: During the Summit, guests (purchasing group) will understand the products and culture of brand enterprises through the CICEE exhibition in a more comprehensive and three-dimensional manner. The Purchasing Fair is an important part of the implementation of purchase intentions.

8. Business Tour to Local High-end Manufacturing Enterprises and Projects

- Venue: High-end manufacturing enterprises in Changsha such as Zoomlion, Sany in Xingsha City, BYD new energy vehicle manufacturing base in Yuhua District, etc.
- Number of participants: About 300
- Description: The purpose of this activity is to enable GHMS participants to further understand the development status and atmosphere of high-end manufacturing in Changsha through on-spot investigation. The organizers will collect cooperation demands of enterprises visited and promote them in a targeted manner during the preparation in order to match visitors and promote substantive cooperation projects.

9. 2019 Changsha International Construction Equipment Exhibition (CICEE) Opening Ceremony and Tour Event

- Number of participants: 800 (all of the participants of GHMS)
- Description: During the tour, the GHMS participants will be divided into 18 groups, each group consisting of about 45 people and led by 2 volunteers. The group will include professional mechanical machinery buyers and dealer delegations

10. Exchange Banquet

11. Closed-door Panel Breakfast / Dinner

- Number of participants: ≤ 20 / breakfast meeting; ≤ 50 / dinner party
- Description: This activity requires confirmation of the venue after breakfast/dinner meeting is settled in the organization's sponsorship schedule. If you have the sponsorship intention, please contact us as earlier as possible.
