

SENADO

PÍO GARCÍA-ESCUADERO MÁRQUEZ  
PRESIDENTE DEL SENADO

Madrid, 23 October 2018

The Spanish Senate is organizing a high level Conference on the Victims of Terrorism with the support of the OSCE Parliamentary Assembly on 15-16 November 2018 in Madrid, Spain.

I therefore count on the active participation of OSCE Parliamentary Assembly to make this timely event particularly successful and fruitful, also in view of our future efforts in this domain. Otherwise, I would like to emphasize the importance for the Parliamentary Assembly to address this important topic and duly commemorate the victims and, in this context, I would welcome the contributions of all OSCEPA members and delegations.

This event is particularly important in view of the recent efforts of the Parliamentary Assembly to strengthen its focus on countering terrorism, including through the targeted work of its active Ad Hoc Committee on Countering Terrorism.

It is for me a pleasure to invite your National Delegation at OSCE-PA to this conference and I sincerely hope you can attend it.

Please, note that Senado will not cover any travel or hotels expenses.

More details will be provided by the Spanish Senate (focal point: [luis.molina@senado.es](mailto:luis.molina@senado.es)) in due time.

Kind Regards,
