

Draft Agreement on Criminal Justice Cooperation between Eurojust and the Kingdom of Denmark

Draft Agreement on Criminal Justice Cooperation between Eurojust and the Kingdom of Denmark

Eurojust and the Kingdom of Denmark (hereinafter referred to as the 'Parties'),

1. Having regard to the Council Decision of 28 February 2002 setting up Eurojust with a view to reinforcing the fight against serious crime, as last amended by Council Decision 2009/426/JHA of 16 December 2008 on the strengthening of Eurojust (hereinafter referred to as the 'Eurojust Decision'), and in particular Article 26a thereof;
2. Having regard to the opinion of the Joint Supervisory Body, as established by Article 23 of the Eurojust Decision, of ---;
3. Considering that as of 12 December 2019, Regulation (EU) 2018/1727² (hereinafter referred to as the "Eurojust Regulation") will apply and that, as a consequence both of the application of Protocol (No 22) on the position of Denmark (hereinafter referred to as "Protocol 22") under which the Kingdom of Denmark (hereinafter referred to as "Denmark") does not take part in the adoption of measures pursuant to Title V of Part Three of the TFEU and that such measures are not binding upon nor applicable in Denmark; and of the fact that Denmark has so far not exercised the option provided for in Part IV of the said Protocol which would allow it to fully participate in the new Eurojust Regulation, Denmark will no longer be part of Eurojust to which it has participated since Eurojust's establishment in 2002 and will be regarded as a third country with respect to Eurojust;
4. Considering the interest of both Parties to establish close and dynamic cooperation to meet the present and future challenges posed by serious crime, particularly organised crime and terrorism, and to facilitate the coordination of investigations and prosecutions covering the territory of Denmark and one or more of the other Member States of the European Union;
5. Considering that Denmark is a Member State of the European Union;
6. Considering that Denmark participates in Union acts in the field of judicial cooperation in criminal matters adopted on the basis of ex-Title VI of the Treaty on European Union before the entry into force of the Treaty of Lisbon, such as Council Framework Decision 2002/584/JHA on the European Arrest Warrant³, Council Framework Decision 2009/315/JHA on the organisation and content of the exchange of information extracted from the criminal record between Member States⁴, and Council Framework Decision 2002/465/JHA on Joint Investigation Teams⁵;

² OJ L 295, 21.11.2018, p. 138.
³ OJ L 190, 18.07.2002, p. 1.
⁴ OJ L 93, 7.4.2009, p. 23.
⁵ OJ L 162, 20.6.2002, p. 1.

7. Considering that Denmark implements fully in its national law, in accordance with Article 4 of Protocol 22, the Schengen *acquis*, and is therefore bound under international law by a number of EU law enforcement provisions and measures in the field of judicial cooperation in criminal matters, including the measures aimed at compensating the absence of internal border controls on persons within the Schengen area;
8. Considering that Denmark is also part of the Nordic passport union together with the other Nordic States, two of which are EU Member States and two of which are associated with the implementation of the Schengen *acquis* and its further development;
9. Considering that Denmark and Eurojust wish to conclude an agreement at a level at least equivalent to that of third countries that have concluded a cooperation agreement with Eurojust;
10. Considering that the College of Eurojust decided to conclude a cooperation agreement with Denmark on 22 November 2018;
11. Considering that the President of Eurojust informed the Council of the European Union by letter of 28 February 2019 that Eurojust envisages launching formal negotiations with the intention of entering into a cooperation agreement with Denmark;
12. Considering that on 12 March 2019, the Council of the European Union took note of Eurojust's plans to start formal negotiations with a view to entering into a cooperation agreement with Denmark in accordance with Article 26a(2) of Council Decision 2002/187/JHA of 28 February 2002 setting up Eurojust;
13. Considering that the Council of the European Union, having regard to the opinion of the European Parliament, has on XXX, approved the conclusion by Eurojust of this Agreement;
14. Considering that because of the above-mentioned specific situation of Denmark, both as an EU and a Schengen Member State, it is appropriate to provide in the present Agreement, in addition to the provisions usually provided for in cooperation agreements with third countries, a wider participation of the Representative in meetings of the College than for Liaison Prosecutors of third countries, since Denmark is also affected by strategic and operational issues discussed in the College which affect all Member States of the European Union;
15. Considering that, for the same reason, it is appropriate that the national Parliament of Denmark is informed on Eurojust's annual report, as well as on the results of studies and strategic projects commissioned by Eurojust, its strategic programming documents and working arrangements concluded with third parties in the same way as the national Parliaments of the other Member States are in line with Article 67 of the Eurojust Regulation;
16. Considering that in order to secure the uniform application and interpretation of this Agreement, it is appropriate to provide that the Court of Justice of the European Union will have jurisdiction as regards questions on the validity and interpretation of this Agreement raised by Danish courts or tribunals and as regards compliance by Denmark with the Agreement, as well as with regard to personal data protection and Eurojust's liability;
17. Considering likewise that it is appropriate to provide that the data protection provisions of this Agreement comprise an obligation for Denmark to apply Directive 2016/680⁶ with

⁶ Directive (EU) 2016/680 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data by competent authorities for the purposes of the prevention, investigation, detection or prosecution of criminal offences or the execution of criminal penalties, and on the free movement of such data, and repealing Council Framework Decision 2008/977/JHA (OJ L 119, 4.5.2016, p. 89).

respect to the personal data exchanged pursuant to this Agreement and to recognise the role of the European Data Protection Supervisor;

18. Considering that this Agreement is conditional upon Denmark's continued membership of the Schengen area, and that if Denmark would no longer be bound by the Schengen acquis, this Agreement would as a consequence be terminated;

19. Considering that Denmark will appropriately contribute financially to Eurojust's budget;

20. Respectful of Denmark's and Eurojust's obligations under the Charter of Fundamental Rights of the European Union;

HAVE AGREED AS FOLLOWS:

Annex - Formula to calculate the contribution of Denmark to the revenue of Eurojust

The financial contribution of Denmark to the revenue of Eurojust as referred to in Article 25 of this Agreement, which shall be paid directly into Eurojust's budget, shall be calculated in the following way:

1. The most updated final figures of the Gross National Income (GNI) of Denmark available on 31 March of each year according to subparagraphs 2 and 3 shall be divided by the sum of the GNI figures of all the States participating in Eurojust available for the same year, including the GNI figure for Denmark. The obtained percentage will be applied to the part of the authorised Eurojust's revenue as defined in Article 60(3) of the Eurojust Regulation in the year under consideration to obtain the amount of the financial contribution of Denmark.

The calculation shall be made on the basis of the aggregate GNI at market prices and its components, supplied by the Member States in accordance with Article 2(2) of Regulation (EC, Euratom) No 1287 /2003.

For the purposes of calculating the contribution, amounts shall be converted between the national currency and the euro at the exchange rate on the last day of quotation of the calendar year preceding the budget year concerned, as published in the Official Journal of the European Union, C series.

2. The financial contribution shall be paid in euro.

3. Denmark shall pay its financial contribution no later than 45 days after receiving the debit note. Any delay in payment shall give rise to the payment of default interest by Denmark on the outstanding amount from the due date. The interest rate shall be the rate applied by the European Central Bank to its principal refinancing operations, as published in the C series of the Official Journal of the European Union, in force on the first day of the month in which the deadline falls, increased by 3,5 percentage points.

4. Denmark's financial contribution shall be adapted in accordance with this Annex when the financial contribution from the EU entered in the general budget of the EU as defined in Article 60(3) of the Eurojust Regulation is increased pursuant to Articles 30, 31 or 44 of the EU Financial Regulation (2018/1046). In such a case, the difference shall be due 45 days after receiving the debit note from the Commission.

5. In the event that payment credits of Eurojust received from the EU according to Article 60(3) of the Eurojust Regulation related to a year N are not spent by 31 December of year N or that Eurojust budget of the year N has been lowered according to Articles 30, 31 or 44 of the EU Financial Regulation (2018/1046) the part of these unspent or lowered payment credits corresponding to the percentage of the contribution made by Denmark shall be transferred to the budget of year N+1 of the Commission.
