Transfers

Delegations are kindly requested to make their own arrangements for transportation from and to the airport.

[Helsinki Airport](#) is located about 21 km from the city centre, which is approximately a 30-minute drive from the city centre depending on traffic. You can reach Helsinki by train, bus ([HSL](#)) or taxi.

Trains I and P go from the airport to Helsinki Central Station. From the Helsinki Central Station it is about a 5-minute walk to the Original Sokos Hotel Presidentti or Scandic Simonkenttä.

Finnair airport shuttle bus is working from the west side of the Helsinki Railway Station to the airport and back.

Time estimate for the journey is 40 minutes by bus and about 30–35 minutes by train or taxi. Note that the regulations for taxi services have been eased and as a result, the taxi meters are no longer mandatory and the price of journey can vary. To facilitate the choice of a taxi at the airport, there are four lanes for taxis at the Helsinki Airport:

- The three lanes closest to the terminal exit are reserved for the taxi companies that won the competitive tendering (Lähitaksi, Vantaan Taksi and Taksi Helsinki).
- The fourth is for other taxi operators.
- Beside there is also an area for pre-reserved rides.
- Number for pre-reserving a taxi in Helsinki Airport (valid only in reservations from the airport): Taksi Helsinki +358 100 0600

The Finnish Parliament will provide transportation service for the delegates to and from the conference and the dinner venues. Please note that the **buses for the airport** leave from the conference venue after the meeting has ended on Monday 28 October.

Please note that there will not be a bus transportation from Sokos Hotel Presidentti to the conference venue (walking distance approximately 150 meters).

It was built to celebrate Finland's 100 years of independence, and it is an architecturally interesting, energy-efficient building. The art museum [Amos Rex](#), which was opened in the autumn of 2018, is worth visiting for its interesting exhibitions. Buildings designed by one of the most notable architects in Finland, Alvar Aalto, can be found in the city centre area. Excellent shopping facilities are located to a short distance away from the hotels and the Conference venue.
