HOW TO JOIN THE CONFERENCE

The short instructions below will help you to find out how to connect to the conference safely and easily via the **ZOOM platform**.

BEFORE YOU START:

- If you registered, **you will receive a link to join a Zoom Webinar**. If you do not see the message in your mailbox, you should check SPAM or “less important” inbox. In case you still do not see the invitation or did not receive it before Monday 23 March 2020 at 1PM, please [contact](#) the Organizer.

ON THE CONFERENCE DAY:

1. You will receive a message with a link to the conference. Click the link to join the conference. You will be redirected to “zoom.us” website.
2. You can use either website or Zoom application to connect to a conference. **We recommend to download and install Zoom application**. It will ensure stable connection and more options during the conversation.
3. If you don't have account on Zoom platform please type your name and e-mail address and join the webinar.
4. During the conversation attendees can't participate in the discussion with a panelist. On your screen you will see and hear speakers taking part in a panel.
5. Only Organizer or Moderator can decide whether to give you the floor or not. In case you raise your hand be ready that the panelist can give you the floor during conversation. Then make sure you have a working microphone and headphones.
6. **Please ask maximum one question at a time** so that panelists can read them in the right order. Vulgar messages or messages not related to the subject of the conference will be deleted by the Organizer and the participant will be removed from the webinar.
7. **Attendees cannot chat with participants**, they can ask questions in the Q&A tab and only Organizer or Moderator can decide whether to answer or not. Organizer or Moderator can also allow individual Attendees to speak up, if a question appears.
8. Attendees can only watch and listen to the panels. You can see a list of attendees in the “Participant” tab right below the screen. **You can ask questions during the panel via the Q&A box at the bottom of the window**. Panelists can see the questions and answer them live during the conference or write back. You can also

raise hand, which signals the wish to ask a question live during the streaming. Organizer or Moderator might unmute a specific attendee and give them a possibility to ask the question.
