

LIETUVOS RESPUBLIKOS SEIMO PIRMININKAS
SPEAKER OF THE SEIMAS OF THE REPUBLIC OF LITHUANIA

H.E. Mr Henrik Dam
Speaker of the Folketing
Kingdom of Denmark

Vilnius, 12 May 2020

Dear Mr Speaker,

On 5 May 2020, the Seimas of the Republic of Lithuania adopted a Resolution on Energy Independence and the Threat Posed by the Astravyets Nuclear Power Plant. As I am forwarding this Resolution for your information, I would like to encourage you personally, Dear Mr Speaker, to support Lithuania's principled stance on the prevention of access of electricity, to the markets of the EU Member States, from neighbouring countries which operate unsafe nuclear power plants that do not meet the EU requirements of stress tests on nuclear safety or violate international nuclear safety and environmental conventions. Moreover, I would also like to invite you to join our efforts in seeking a legally binding decision by the EU on the threat posed by the Astravyets nuclear power plant.

I take this opportunity to express to you, Dear Mr Speaker, the assurances of my highest consideration.

Yours sincerely,

Viktoras Pranckietis
Speaker of the Seimas
