THE SECRETARY GENERAL
LA SECRÉTAIRE GÉNÉRALE

067 CIR 20 E

TO SECRETARIES OF DELEGATION FOR DISTRIBUTION TO ALL MEMBERS

Dear members,

I am writing to inform you that one of the members of the French delegation to the NATO PA, Mr Jean-Luc Reitzer, has been diagnosed with coronavirus and admitted to the hospital yesterday, Thursday 5 March. I am in touch with the French delegation and will keep you informed as soon as I have more news about his condition. Our thoughts are with him and his family and we wish him a prompt recovery.

Mr Reitzer attended our Joint Committee meetings in Brussels on 17-19 February over two weeks ago. However, it is as of now unclear when he might have been infected.

I will keep you informed as I receive more information, but, in the meantime, would encourage you to refer to your national health authorities' advice and consult them should you have any questions or concerns.

You can also find useful information here about the incubation period, symptoms and other relevant questions: <https://www.who.int/news-room/q-a-detail/q-a-coronaviruses>

Many thanks and best wishes,
