24 August 2020

Dear colleagues,

As you may know, general elections are planned to take place in the United States of America on 3 November 2020, and following an invitation from the United States Government, I have the intention to deploy an election observation mission on behalf of the OSCE Parliamentary Assembly to observe this important election. In the coming days, the International Secretariat will be distributing further information to all OSCE PA Delegations related to this observation mission, in accordance with our OSCE PA Election Observation Guidelines.

The International Secretariat is already in preparations for deploying such an observation mission, and will remain in contact with our traditional observation partners.

I am sure that we all look forward to following the work of this observation mission in the coming months.

Yours sincerely,
