Dear Ms Chair,

The delegation of the Committee on Social Policy of the Chamber of Deputies of the Parliament of the Czech Republic intends to visit the Kingdom of Denmark on 11th – 14th November 2019. On behalf of the delegation and on my own behalf, please allow me to kindly ask you to have an appointment with the Domestic and Social Affairs Committee.

It would be the honour to meet you and members of your Committee of the Parliament of the Kingdom of Denmark on Wednesday 12 November 2019. Our Committee is interested in your views on the functioning of the social welfare system and foster care. We would like to discuss your assessment of the social assistance and support system for people with disabilities. Overall, we will be delighted to learn more about the social services system in the Kingdom of Denmark. We believe that our meeting could be a mutually beneficial exchange of views and experiences.

I avail myself of this opportunity, Madam, to renew the assurances of my highest consideration.
