Dear Amaelie,

Having learned that the Danish Foreign Affairs Minister has a **Samråd** before the FA Committee at Folketinget, next December 19th, and knowing that the question regarding Catalonia will be debated in there:

I kindly require to the FA Committee to consider the opportunity of presenting an update of the Catalan issue in a Foretraede, the very same day (15' before the Minister starts its Samråd).

Most probably a Representative of the Catalan Government will be attending it, being this person the one to present the Foretraede. Hence, either the Catalan Minister Foreign Affairs, Alfred Bosch, or the ViceMinister, Mireia Borrell.

I am at your disposal whether you need more information from us. Looking forward to hearing from you soon. Kind regards.
