TURKISH DELEGATION TO THE PARLIAMENTARY ASSEMBLY OF THE COUNCIL OF EUROPE

DELEGATION TURQUE A L'ASSEMBLEE PARLEMENTAIRE DU CONSEIL DE L'EUROPE

Dear colleagues,

The Parliamentary Assembly of the Council of Europe (PACE) adopted in January this year Resolution 2324 (2020) on missing refugee and migrant children in Europe, which recognises that the issue of missing child refugees and migrants requires more attention and effort by national authorities. Resolution 2324 invites national parliaments to appoint a parliamentary rapporteur on missing refugees and migrants, with a particular focus on children.

As PACE Rapporteur on missing refugee and migrant children in Europe, it is my pleasure to invite you to the web-conference on protecting migrant children and saving missing children, organised by the Grand National Assembly of Turkey on 24 November 2020. Please find attached the conference programme.

Thousands of refugee and migrant children are estimated to go missing every year in Europe. Five years after the tragic death of Aylan Kurdi, more must be done by all those who have responsibility for protecting migrant children. The web-conference will provide the possibility to share your experiences and strategies in order to achieve better protection and pursue concrete action throughout Europe. We need your active contribution!

The conference will use English, French and Turkish and be accessible via the Zoom link <https://us02web.zoom.us/j/83101726561> (Meeting ID: 831 0172 6561).

Registrations by participants should be sent to Mr. Yasin KARAYIGIT ([yasinkarayigit@gmail.com](mailto:yasinkarayigit@gmail.com)) from the technical staff of the Grand National Assembly, who are also at your disposal for any questions.

Thank you very much for your participation and your support of our European action.

Yours sincerely,

Serap Yasar
