Platform: Zoom

Dear Hon. Member of Parliament,

We are pleased to invite you to the first event of our **Parliamentary Leadership for the 2030 Agenda Webinar Series**, titled **COVID-19 response: Leaving No One Behind**. The webinars are meant to serve as a forum for peer-to-peer learning, mutual inspiration and exchange of best practices that can galvanize more political action on SDGs.

The first webinar will be a discussion-focused event centered on policies and practices that can be implemented to overcome the COVID-19 pandemic. The purpose will be to inform decision making with the necessary scientific evidence to address the immediate challenges faced by public health systems within a sustainable and inclusive recovery framework. In this session, we will be joined by world-leading experts who will provide their presentations, which will be then followed by discussion with and between members of parliament over the possible solutions that can enable a sustainable and inclusive COVID-19 response. Kindly see the attached concept note and agenda for further details.

Please confirm your participation by [registering here](#). Connection details will be sent to confirmed participants a couple days in advance of the event.

We look forward to having you join us along with parliamentarians from all regions of the world and take part in this conversation.

With our warm regards and gratitude,

Gabriela Cuevas Barron, Honorary President, Inter-Parliamentary Union  
Jeffrey Sachs, President, Sustainable Development Solutions Network
