

Tommerup den 14. januar 2021.

Kære alle.

Da det på grund af den fortsatte coronakrise ikke er muligt at gennemføre den planlagte 400 års fejring i Trankebar i februar, har vi besluttet at flytte arrangementet til weekenden den 11.-12. september i stedet.

Et program for dagenes forløb vil blive offentliggjort i juli måned.

Vi håber meget, at du og din institution vil og kan deltage til den tid.

Jeg har i dag udsendt nedenstående pressemeddelelse til Danmark og Indien.

Mvh. Poul Petersen. Best. Formand I Foreningen Trankebar.

To the Press.

Postponement of the 400th year celebration in Tranquebar to September 2021.

Because of the corona crisis we have to cancel the scheduled celebration in February of the 400th year of the Danish arrival at Tranquebar. In stead we have decided to move the planned celebration to the weekend September 11th-12th in the hope that by then the situation will have normalized. A programme for the event will be released in July.

We hope that you or your institution will and can participate in the celebration in September and help to make it a memorable event for all.

Poul Petersen. President of the Danish Tranquebar Association.
