

INTER PARES | Parliaments in Partnership – *EU Global Project to Strengthen the Capacity of Parliaments* is delighted to invite you to **the first of its kind Global Virtual Conference ‘Catalysing Parliamentary Action to Fight Climate Change’**, taking place on **11-12 May 2021**.

The main goal of the conference is **to share best European and international practices and lessons learned** on parliamentary action on climate change with INTER PARES partner parliaments and other parliaments around the world.

The conference will expose participants to a range of **parliamentary innovations on climate change**, highlighting the key areas of parliamentary responsibility, including of course legislation, oversight, representation, and the national budget.

Programme Outline

Tuesday, 11 May, 09:00 – 12:00 CEST

- Strengthening the enabling environment through climate legislation
- Oversight of the government in the implementation of climate policies and frameworks
- Climate and environmental budgeting

Wednesday, 12 May, 14:00 – 17:20 CEST

- European action on climate change
- Regional and global parliamentary action
- Engaging citizens in decision making on climate
- Parliaments and the sustainable development goals
