1. You can motivate other associations to join us and register them here, like you, and enter in whatsapp continental or language groups: <https://wsf2021.net/invitacion-a-participar/>
2. You can include yourself in one of the thematic spaces (which can still change) to organize during the week meetings with associations that fight in the same field as yours: <http://lite.framacalc.org/9kfs-espacios-tematicos>
3. You can simply make your struggles visible by sending a link to a small 2 minutes video with the sentence " we participate in the virtual world social forum" and in horizontal format that will give the best idea of: 1. your actions 2. the messages you carry 3. which of the WSF themes your actions are part of. Link to a you tube page you have created where the video will be uploaded or on a google drive from your gmail address or on cozy <https://cozy.io/fr/> (french server) or other free cloud. Send to: forumvirtual@wsf2021.net
4. You can take part in the opening March by doing a political or cultural manifestation during the first day starting far in the Pacific across the globe. More information about this decentralized activity will come soon.
5. If you have strong skills, you can come and help the technical team in charge of the social networks, the site, the technical organization of the virtual meetings by writing here: forumvirtual@wsf2021.net
6. You can register your self-organized activity via a link at the wsf website from Mid-December.
7. You can contribute to the world wide mobilization, see the plan here in English and Spanish: <http://openfsm.net/projects/gf-fsm2021/gt-movilizacion-fsm2021-insumo5>
