-  GreenLab areas
-  District heating pipeline
-  40 bar gas distribution pipeline
-  4 bar gas distribution pipeline
-  Pipeline Bailing - Bostrup Biogas
-  High voltage cable - 150 kV

GreenLab Skives anbefalinger:

- »»» 1. Tænk i et sammenhængende energisystem
- »»» 2. Skab incitament i markedet
- »»» 3. Invester i kompetencer og opskalering
