MAIN TOPICS THIS YEAR

This ONLINE edition of CYBERSEC Brussels Leaders' Foresight will follow the leitmotif of the CYBERSEC Global 2020: Together Against Adversarial Internet.

To underline the plethora of challenges and respond to them in the

most informed way, besides the main four thematic streams: State, Defense, Future, and Business, we are adding a special stream EU Digital Policy Foresight – dedicated to the Union’s recent regulatory proposals.

You are welcome to join us to discuss the way forward **#TOGETHER** with leading policymakers and specialists from different parts of the world!

The topics on this year’s agenda include:

- Transatlantic Alliance: click refresh. Making technology cooperation central to our shared democratic future.
- The Quest for Europe’s digital strategic autonomy - where and how should it lead?
- Third Time’s a charm? Hope and opportunities for regulations EU-US data transfers.
- From data lakes to a data ocean? Debating the future of transatlantic data transfers.
- Green and Digital Three Seas Investments - on the way to innovative and resilient Europe’s Eastern Lung.
- EU Cyber Package - a shield against adversaries.
- ENISA’s role in the new upgraded cybersecurity ecosystem.

Be aware of the leaders’ foresight.

Be aware of the future of cybersecurity.
