Emne: DPR Korean embassy message

Dear Mr Bertel Haarder

It's Ri Hak Chol, counselor of DPR Korean embassy in Stockholm.

It was nice to talk with you just ago.

As for bilateral relations, there is not much understanding between two countries.

There are not much news reports or information about DPR Korea, so Danish people are lack of opportunities for getting knowledge of the country. Most have bad impressions of DPRK.

But I think we should build up bridge between so that promote understanding, political and economic exchanges.

We would like to bring attention of Folketing to DPRK for improving relations and looking for mutual benefits. Keeping communications and being updated may help to stimulate wishes for better relations.

I would like to keep you updated with realities of DPRK so that we could share or you share with your colleagues.

Please find attached data.

Best Regards

Ri HC
