Dear Bert

In connection my email below, I just wanted to clarify that the Danish government has declared to the Danish Parliament its intention to present a final analysis on this matter before the end of 2020.

Further, new restrictions are imposed currently in Denmark why new measures to support the affected businesses are now to be introduced.

In this respect, we expect to receive follow-up questions very soon and we would therefore be grateful if we could have an exchange with you in order for us to prepare for answering those questions.

I know that both you and legal service are very busy for the time being but if you need anything from us, we will of course be happy to provide this with very short notice if needed.

Best,

Nina

Dear Bert

Many thanks, are there any news on the timeline?

As mentioned earlier, I am sorry to chase you on this but there is a lot of political attention on this matter in Denmark and the Danish government wish to conclude the analysis on the recommendation and inform the Parliament soon.

If we can do anything to help clarify, provide more information etc., please do not hesitate to let us know.

Best regards,

Nina

Dear Nina,

Thank you for your email. We have referred your questions to the colleagues from our Legal Service, as they are not tax-specific but concern more the interpretation of the fundamental freedoms. We will check again with them and will let you know when we get the answers.

Kind regards,

Bert

Dear Bert and Ioanna

Sorry for chasing you on this but I was wondering if you have had a chance to look into our supplementary questions?

As mentioned earlier, we would be very happy to discuss in a call to provide some extra context etc. if that would be useful for you.

Many thanks in advance,

Nina

Dear Nina,

I am sorry to have missed your call, as I was in a meeting just now. I would be available on Monday for a short call, but unfortunately not in the morning. Would you perhaps be available around 13:00-13:30 or later in the afternoon, eg around 17:00?

Kind regards,

Bert

Dear Bert,

I just tried to call you as I was hoping to share a status with you on the Danish analysis of the Commission's recommendation of 14 July 2020 on aid to companies with links to tax havens.

Further, I also wanted to give you a status on the expected implementation in Denmark of defensive measures.

Would you be available for a short call Monday, e.g. at 10 am?

Best regards,

Nina
