

## FOLKETINGET

Honourable Dmytro Natalukha  
Committee for Economic Development  
5, Hrushevskoho Str.  
Kyiv 01008  
Ukraine

Dear colleague,

As chairman of the Danish Business Committee, I welcome your letter of 7 March 2022.

I wish to express our full and wholehearted solidarity with the people of Ukraine in the face of the Russian invasion. We condemn in the strongest terms Russia's unprovoked and unjustified military aggression.

On 3 March 2022, the Danish Parliament paid a tribute to Ukraine with the ambassador of Ukraine as an honorable guest.

Our collective message was clear. We stand with you. Not just with words, but with concrete actions. Together with our partners, we call on Russia to end the war and return to the path of peace. We reiterate our unwavering support for the independence, sovereignty and territorial integrity of Ukraine.

Denmark and our partners are working tirelessly to end the aggression, including through unprecedented sanctions against Russia as well as the provision of weapons and humanitarian aid in support of Ukraine.

The people of Ukraine have made the brave choice to defend European values of liberty, democracy and the rule of law. You can count on our full and unwavering support.

Yours sincerely,

Anni Matthiesen  
Chairman,  
The Business Committee
