

*Delegación española ante la  
Asamblea Parlamentaria de la OSCE*

Madrid, July 13, 2022.

Dear Member of the Parliamentary Assembly,

After two years meeting remotely, the days we worked and spent together in Birmingham were an important momentum for all of us and, more crucially, for our organisation. There was a strong need to work together in such a critical time following the aggression against Ukraine. Now it is time, after two years of pandemia and this first “normalized” session in the UK, to get back to normal and continue working “on site” in Sofia, Vienna and Vancouver.

With this letter I would like, first and foremost, to thank all Members of the OSCE PA for their support in my election as a Vicepresident of the Assembly and also congratulate all other elected colleagues. I feel very honoured and proud to serve as a key voice of democracy, cooperation and security in the OSCE region. And I am also very grateful for representing my delegation in the Parliamentary Assembly.

After more than four years as Head of the Spanish Delegation and one year as Chair of the Second Committee, it is time now for more responsibilities in the Assembly. I hope that in this new position I will be able to contribute to building a OSCE PA key to lead the path to peace and dialogue in our región; but also capable to accelerate the transformation towards greener OSCE economies and with a clear willingness to reinforce our security dimension in the region. This must be done in a time in which gender equality is one of the main revolutions of the XXI century, hence the need to adopt and strengthen it within our Assembly.

Let me conclude making myself available for anything you consider relevant for the present and the future of our organisation.

You can contact me via Mobile (+0034618896896) or via eMail [perejoan.pons@congreso.es](mailto:perejoan.pons@congreso.es)

All the best,

  
Pere Joan Pons Sampietro.
