

Madrid, 28 August 2023

Dear president,

It is an honour for us to invite you to participate in the Inter-Parliamentary Conference on Stability, Economic Coordination and Governance in the EU, which will take place on 26-27 October 2023 in Madrid at the Spanish Senate. As is customary, it will be attended by representatives from the European Union Member State national parliaments and individuals from the European Parliament.

This is an important event for the EU Presidency, as it provides a framework for discussion and information exchange and best practices for enacting the provisions contained in the Treaty on Stability, Coordination and Governance in the Economic and Monetary Union to meet current and future economic challenges. The partnership is particularly relevant in the context of the governance framework reform. It must take full account of the EU's pillar of social objectives to ensure democratic accountability in economic governance and EU budget policy.

As hosts of this important meeting, it will be an honour for us to welcome you to the Spanish Senate to continue working in cooperation.

We thank you in advance for your attention to this invitation and express the assurances of our highest consideration and esteem.

Francina Armengol Socías
President of the Congress of Deputies

Pedro Rollán Ojeda
President of the Senate
