**To the National Parliaments of the OSCE PA**

**Dear Sir/Madam,**

It is my pleasure to invite you to participate in a joint Conference of the Milli Majlis of the Republic of Azerbaijan and the OSCE Parliamentary Assembly dedicated to theme of "The role of the national parliaments in promoting security and stability through "green economy", connectivity and sustainable development" to be held on 22-23 May, 2023, in Baku, Azerbaijan.

No doubt, the multidimensional impacts of climate change pose a vital threat to the secure future of our planet. The Conference will provide an excellent opportunity for legislators to share experiences on advanced strategies acquired in the implementation of "green technology" and "smart solutions" in national economies. It will also serve as an open platform for participants to explore the decisive role of national parliaments in transition to an inclusive "green economy" in the post-pandemic period for boosting connectivity, sustainable development and stability.

The two-day event will feature thematic panels and a field visit to get acquainted with the best practices of Azerbaijan in applying "green energy", "smart city" and "smart village" concepts.

Your participation in the Conference and valuable contribution to achieving the ultimate goal of the event will be very much appreciated.

The Preliminary Programme, Concept Note and Practical Information are attached herewith.

Looking forward to welcoming you to Azerbaijan.

**Sincerely,**

**Prof. Dr. Sahiba GAFAROVA**
