**Emne:** Czech Parliament - Chamber of Deputies - visit of Public administration and regional development committee delegation - 25 May 2023

Attn.:

Committee on Digitalisation and IT  
Domestic Affairs Committee  
Housing Committee  
Rural Districts and Islands Committee

Dear colleagues,

Based on the operative communication so far, the Embassy of the Czech Republic in Copenhagen has the honour to confirm that a working visit of a delegation from the Public administration and regional development committee of the Czech Parliament's Chamber of Deputies will take place between 22 and 26 May 2023.

The comprehensive programme of the delegation will include meetings with relevant government bodies and with local administration representatives in Denmark's regions.

However, the main aim of the visit is an open exchange of views and best practices with counterparts in the Danish Parliament. The delegation would therefore appreciate the possibility of a joint meeting with representatives of the above listed Committees of the Folketinget.

Bearing in mind the expressed preference on the Folketinget side, we would like to propose Thursday 25 May 2023 from 10:15 for the meeting of delegations in Christiansborg.

The topics for the meeting should include, but don't have to be necessarily limited to digitalisation (e-government, digitalisation in rural areas), affordable housing, distribution of the wealth between regions, revitalisation of rural areas and cities, acceleration of the construction approval process and rationalization of local government system on municipality level. We are of course open to suggestion of other topics of interest from the Danish side.

Kind regards

Oto
