Emne: 2023 Field Visit to Morocco

Dear Member,

On behalf of the Parliamentary Network on the World Bank and IMF, it is my pleasure to announce a **Field Visit to Morocco**, as part of *the Parliamentarians in the Field Programme*, jointly organized with the World Bank Group (WBG) and IMF, **from 4 – 8 June 2023**.

In the lead-up to the WBG-IMF Annual Meetings to be hosted in Marrakech in October 2023, this field visit will allow participating MPs to gain a solid understanding of Morocco's development priorities, exchange with key stakeholders and actors, and share development experiences. The four-day tour will include engagements with senior Government officials, Parliamentarians as well as World Bank and IMF representatives in the capital city of Rabat, in addition to project visits in the historic city of Marrakech. MPs will learn about the country and the region's development achievements and challenges, particularly in the areas of energy, climate change, gender, and private sector development, and how the WBG and IMF have been helping to overcome them.

Since 2001, the Parliamentarians in the Field programme has given MPs unique access to WBG and IMF country offices, development programmes and key development partners (including the host country's parliament). This year's visit will provide the opportunity to engage with WBG (including IBRD and IFC) and IMF representatives, the Moroccan Parliament, relevant Ministries, the Central Bank, project beneficiaries, CSOs, the private sector, and the donor community.

I invite you to express your interest in participating by filling out the following online form: <https://form.jotform.com/PNOWB/morocco-field-visit>. Due to space constraints, this event is open to a limited number of Members of Parliament, therefore, places will be allocated on a first-come first-served basis while considering regional and gender balance.

For further information, please contact jpo1@parlnet.org or parliamentarians@worldbank.org.

I look forward to meeting you in Morocco.

With my very best wishes,

The Rt Hon Liam Byrne MP, UK
Chair of the Parliamentary Network
on the World Bank and IMF
