

SAVE THE DATE!

Preparations are well underway for the 2023 Regional Forum on Sustainable Development, taking place on **29 – 30 March 2023**. The theme for this year’s Forum is: *“Ensuring the implementation of the 2030 Agenda for Sustainable Development in the ECE Region in times of multiple crises.”* The focus will be on monitoring progress as well as identifying areas for transformative action in order to achieve the SDGs. Outcomes of the Forum will again contribute to the High-level Political Forum on Sustainable Development in July as well as to the SDG Summit in September, which marks the mid-point of the implementation of the 2030 Agenda.

What’s on the agenda?

High-level Policy Segment: *“Ensuring the implementation of the 2030 Agenda for Sustainable Development in the ECE Region in times of multiple crises”*

Peer Learning Round Tables on the following SDGs

Plenary Session: *“Halfway towards 2030 - accelerating transformations to achieving the SDGs in the ECE region”*

Format of the sessions

The Regional Forum **29-30 March 2023** will take place as a **hybrid meeting**. However, we encourage **in-person participation** as much as possible.

The side events will take place in the period **27 - 30 March 2023** as **virtual sessions**.

Interested in hosting a side event?

Would you like to organize a virtual side event in the margins of the Regional Forum 2023? Please submit your side event proposal to us by **31 January 2023** using the link [here](#).

Registration and website

The online registration for the 2023 session will open in January 2023. The registration link will be available on the website of the Regional Forum [here](#).
