

Bilag 3

The screenshot shows a web browser window with the URL `sks.flighttracking.casper.aero`. The browser's address bar shows a tab titled "Flyvestation Skrydstr...". The website interface includes a top navigation bar with weather information (13 °C, wind from the west at 7 m/s), a "LIVE" indicator, and the date and time "12. juni 2024 14.39.04".

The main content area is split into two panels. The left panel, titled "Fly information", displays the following details:

ID	REGISTRERINGSNUMMER
294047	
AKTIVITET	FLYTYPE
Landing	Lockheed martin F-35A Lightning II

Below the text, there are three images of the Lockheed Martin F-35A Lightning II aircraft from different perspectives. A section titled "Flyets afstand til din bolig" (The aircraft's distance to your home) contains a text box explaining that it shows the shortest distance between a flight and a marked position, with an icon in the menu. Below this is a "Point of Closest Approach" (POC) indicator.

The right panel is a map showing the flight path of the aircraft. A red line indicates the flight path, which is currently positioned near a speed limit sign of 100 km/h. A callout box for the aircraft 294047 provides the following data:

- Flytype: F35
- Højde: 1600 ft
- Hastighed: 209 kts

The map also shows a location marker for "12. Over Jerstal-Syd (wx)" and a speed limit sign of 52 km/h. The bottom of the page includes the version number "v.2.28" and a copyright notice for "Leaflet | Map © OpenStreetMap contributors".
