

Dear friends,

In recognition of the 16 Days of Activism against Gender-Based Violence (25 November - 10 December), we invite you to join an expert dialogue focused on combatting gender-based violence.

This is an event organised in collaboration between the women's shelter and women's rights organization Danner and the Embassy of Canada.

Date and Time: November 27, 14.30 – 16.00 (coffee, tea and registration from 14.00)

Venue: The Embassy of Canada to the Kingdom of Denmark, Kristen Bernikowsgade 1, 1105 Copenhagen K

The dialogue will feature Canadian Ambassador Carolyn Bennett, Danner's Executive Director [Mette Marie Yde](#) and Canadian senator [Michèle Audette](#) (virtual participation), who, among other things, led Canada's National Inquiry into Missing and Murdered Indigenous Women and Girls. It will draw on Danish and Canadian experiences and practices on combatting gender-based violence, including focus on approaches which are trauma-informed, culturally safe and evidence based. The audience is encouraged to actively participate in the dialogue.

To attend, please respond to this email by November 26.

Kind regards,

Danner and the Embassy of Canada to the Kingdom of Denmark
