

The Nordic Council invites to

Interparliamentary meeting on CSW 2025

To the committee responsible for equality

In connection with the UN Commission on the Status of Women meeting in March 2025, the Nordic Council would like to invite relevant committees from the national parliaments to a joint Nordic interparliamentary meeting. The purpose of the meeting is to discuss gender equality-related messages and issues that each country wishes to bring forward at CSW 2025, where a Nordic perspective is deemed to be able to contribute. This is to potentially strengthen our Nordic voice and Nordic cooperation.

The Committee on Welfare the Nordic Region would therefore like to invite representatives from committees responsible for gender equality to a digital meeting.

The meeting will be on February 18th, 2025, on Teams from 3:00 PM to 4:30 PM (CET)

The meeting will be held in English.

We kindly ask you to respond regarding meeting participation no later than February 11th, 2025. Questions and registration should be directed to coordinator Janni Juel Sbeinati, jansbe@norden.org.
